

Getting started with Reports

Use Cases Quick Tips

Examples

You can use Reports however you like. Here are a few examples:

NOTE TO SELF

Notes to self
Add a graph to reference later.
[See Example →](#)

WORK LOG

Work log
Track what you've tried and plan next steps.
[See Example →](#)

NEW FINDINGS

Collaborate
Sharing findings with your colleagues.
[See Example →](#)

Featured Reports

[Go to Fully Connected →](#)

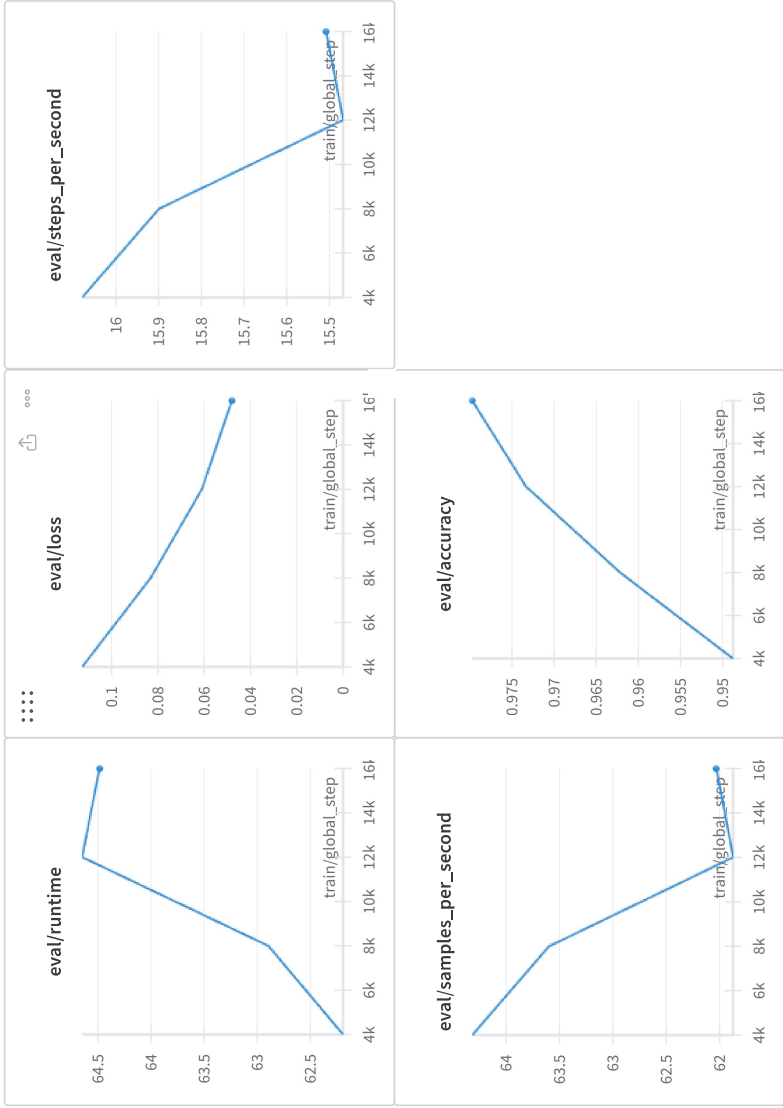

Check out how others are using reports:

Training and evaluation loss
